HOBBIES

Reading And Writing

Traveling

Sports And Fitness

Technology And Gadgets

Listening Music

EXPERIENCES

Nov 2021 - Present | UIUX Studio Mohali - Punjab

Design Team Lead

As a UI/UX Design Team Lead, I'll lead the team, set the design vision, collaborate with stakeholders, conduct user research, create design prototypes and manage design resources.

2018 - 2021 | Mad Brains Technologies LLP Abohar - Punjab

UI/UX Designer

I designed Web and App UI layouts. Additionally, I had the chance to create over 50+ UI designs for the company's Themeforest, UI8, and Contributor Profile. These opportunities came after following the rigorous selection processes of these platforms.
